

## Energy and Utilities

---

**We represent clients in a broad range of regulatory, litigation, and transactional matters involving the electric, natural gas, oil and liquids pipeline, renewable/alternative energy, water/wastewater, and Marcellus shale industries.**

### Overview

---

#### Our clients include:

- **Electric:** Electric public utilities, transmission providers, generators, large power purchasers, and investors.
- **Natural Gas:** Local distributors, producers/gatherers, midstream/intrastate pipelines, interstate pipelines, and industrial/commercial customers.
- **Oil and Liquids Pipeline:** Developers, builders, and operators of crude oil and petroleum products, midstream pipelines, and natural gas liquids pipelines subject to the Interstate Commerce Act.
- **Renewable/Alternative Energy:** Solar, wind, nuclear, and other renewable/alternative energy companies.
- **Water and Wastewater:** Investor-owned water and wastewater utilities.
- **Marcellus Shale:** Companies participating in the development of opportunities in Marcellus Shale and related natural gas and oil production zones.

Legal service we provide to the energy and utility industries include:

- Regulatory and transactional counsel and representation before the Pennsylvania Public Utility Commission (PA PUC) and the Federal Energy Regulatory Commission (FERC), the Pennsylvania Department of Environmental Protection (PA DEP) and the Pennsylvania Fish and Boat Commission (PFBC), in addition to state and federal courts.
- Counsel related to energy efficiency, natural gas procurement, renewable energy credits, demand response, and transmission interconnection matters.
- Counsel and representation related to employment and labor matters, including discrimination, wage and hour, and labor matters.
- Counsel and representation related to environmental matters, including environmental due diligence, asset analysis, and risk evaluation.
- Counsel and representation related to government investigations and enforcement matters.
- Counsel and representation in general liability matters
- Counsel and representation in commercial litigation matters.
- Counsel and representation in workers' compensation claims in the Commonwealth of Pennsylvania and the State of New Jersey.
