Our employment and labor attorneys counsel and defend national employers in claims brought under local, state, and federal labor and employment statutes and compliance and best practices related to these statutes.

Overview

The Group's attorneys have actively litigated employment suits nationally as lead trial counsel, in numerous states including Nebraska, Colorado, Missouri, Ohio, Maine, New Hampshire, Connecticut, New York, Pennsylvania, New Jersey, Delaware, Maryland, Virginia, North Carolina, and Georgia. In addition to their representation of clients before state and federal courts and state and federal administrative agencies, the Group's attorneys regularly provide consulting and risk management services with regard to a broad spectrum of labor and workplace matters. Services provided by our Employment and Labor Practice Group attorneys include:

- **Employment Litigation and Employee Relations**
- **Employment Collective/Class Actions**
- **Labor**
- **Trade Secret and Non-Compete Law**
- **Wage and Hour**
