Our premises liability attorneys have extensive experience in the defense of commercial and municipal entities in a wide variety of premises liability cases.

Overview

Our Premises Liability attorneys have extensive experience in the representation of large retailers (including shopping malls), hospitals, and other commercial and municipal entities in a wide variety of premises liability cases. Our attorneys also routinely provide educational services to the insurance industry and self-insured entities in the defense and handling of premises liability claims in the following areas:

- Slip and fall
- False arrest/excessive force
- Negligent security
- Dram shop/liquor liability
- Retail liability
- Municipal tort claims liability
- Negligent supervision/abuse litigation
